

# Vitor e Vanuti - Amores Vêm e Vão

Tom: **D**  
Intro: **D**

**D**  
Quando é com os outros  
Parece ser tão fácil

**Bm**  
Mas quando é com a gente  
A coisa é diferente

**G**  
Ficar de mãos atadas

**Gm**  
Ver tudo desabar na frente

**D** **A**  
Dos olhos, os meus olhos

**Em7**  
Já cansaram de tanto chorar

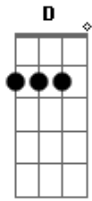

**G** **A**  
Meus amigos de tanto falar

**Em7**  
Se amores vêm e vao, a tristeza então

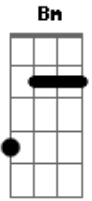

**G** **D**  
Vou amarrar em um balão e deixar voar

**A**  
E deixar voar
