

Vitória Frozi & Isabela Souza - Cliché

tom: **Ebm** (forma dos acordes no tom de **Dbm**)
 Capostraste na 2ª casa

They said we kinda look the same

That we were good friends

I always loved cliches

You were my first love

I was yours

Now I know, about the old

Stories they told

When you step in the place

I can see it now, I'm home

When you step in the place

I can see it now, I'm home

Now I see, now I see, now I see

All those looks and faces

And the jealousy cause

They wish be like me, like me

When you step in the place I feel like

Can't breathe, can't breathe

I'm the only one with your heart

In your eyes I see all the stars

(**Em Bm A E**)

There is no doubt

I'm sure our love is gonna be

Like he told me about

I still don't know who you are

But I'm sure that someday

We'll be singing in the rain

Si te acercas a mí, quiero sentirme

Como en casa

Si te acercas a mí, quiero sentirme

Como en casa

Puedo ver, puedo ver, puedo ver sus

Expresiones

Y nada brillará para mí más que tus ojos

Eres todo lo que necesito para seguir

Quiero ser la canción que te haga sonreír

Now I see, now I see, now I see

All those looks and faces

And the jealousy cause

They wish be like me, like me

When you step in the place I feel like

Can't breathe, can't breathe

I'm the only one with your heart

In your eyes I see all the stars
