

# Vittor Guidoni - Soulless

Tom: F

**Dm**  
 Each day that passes, I feel like I've got no more life  
**Bb** **C**  
 You've taken all of me, leaving me dry  
**Dm**  
 Why did you leave me? I'm fighting all my demons alone  
**Bb** **C**  
 If only you were here to guide me through the storm

**Dm** **Bb** **C**  
 Now... I can see, what you made me do  
**Dm** **Bb** **C**  
 Took everything from me, including my soul

**Dm** **Bb** **C**  
 Soulless, soulless, that's what I've become  
**Dm** **Bb**  
**C**  
 For sticking with you, for loving with you, now my heart has  
 turned to stone

**Dm** **Bb** **C**  
 Soulless, soulless, it's all because of you  
**Dm** **Bb**  
**C**  
 I'm not the same, I fell for your games, and I didn't have a  
 clue

**Dm**  
 I am prepared, for the day that we'll meet again  
**Bb** **C**  
 I will not let you take my heart away  
**Dm**

I know for certain, that I will be your puppet no more  
**Bb** **C**  
 My demons have me, and now I am your storm

**Dm** **Bb** **C**  
 Now... Hold yourself, like you've made me do  
**Dm** **Bb** **C**  
 I'll make you feel ten times my worse, and you will fear me  
 too

**Dm** **Bb** **C**  
 Soulless, soulless, that's what you've become  
**Dm** **Bb** **C**  
 I took my pain and turned it to you, so you could feel like I  
 felt once

**Dm** **Bb** **C**  
 Soulless, soulless, you can't even ask for help  
**Dm** **Bb**  
**C**  
 There's no way out this rabbit hole, that you've dug for  
 yourself

**Dm** **Bb** **C**  
 Soulless, soulless, it cannot be repaired  
**Dm** **Bb**  
**C**  
 The damage we've done has broken our hearts, and our souls  
 have been teared

**Dm** **Bb** **C**  
 Soulless, soulless, that's what we've become  
**Dm** **Bb** **C**  
 No side is right, and no side is wrong, but now we feel like  
 one
