Tom: G

[Refrão]

[Primeira Parte]

**Bm** **G** **D**  
 I know it's hard to tell how mixed up you feel  
**Gb** **Bm**  
 Hoping what you need is behind every door  
**G** **D**  
 Each time you get hurt, I don't want you to change  
**Gb** **Bm**  
 Because everyone has hopes, you're human after all  
**G** **D**  
 The feeling sometimes, wishing you were someone else  
**Gb** **Bm**  
 Feeling as though you never belong  
**G** **D**  
 This feeling is not sadness, this feeling is not joy  
**Gb** **Bm**  
 I truly understand. Please, don't cry now

[Refrão]

**G** **D**  
 Please don't go, I want you to stay  
**Gb** **Bm**  
 I'm begging you please, please don't leave here  
**G**  
 I don't want you to hate;  
**D**  
 For all the hurt that you feel  
**Gb** **Bm**  
 The world is just illusion, trying to change you

[Segunda Parte]

**G**  
 Being like you are  
**D** **Gb**  
 Well this is something else, who would comprehend?  
**Bm**  
 But some that do, lay claim  
**G**  
 Divine purpose blesses them  
**D** **Gb** **Bm**

That's not what I believe, and it doesn't matter, anyway  
**G** **D**  
 A part of your soul ties you to the next world  
**Gb** **Bm**  
 Or maybe to the last, but I'm still not sure  
**G** **D**  
 But what I do know, is to us the world is different  
**Gb** **Bm**  
 As we are to the world but I guess you would know that

[Refrão]

**G** **D**  
 Please don't go, I want you to stay  
**Gb** **Bm**  
 I'm begging you please, oh please don't leave here  
**G** **D**  
 I don't want you to hate for all the hurt that you feel  
**Gb** **Bm**  
 The world is just illusion trying to change you  
**G** **D**  
 Please don't go, I want you to stay  
**Gb** **Bm**  
 I'm begging you please, oh please don't leave here  
**G**  
 I don't want you to change;  
**D**  
 For all the hurt that you feel  
**Gb** **Bm**  
 This world is just illusion, always trying to change you
