Dbm  
Feeling rich, feeling poor, feeling nothing more

Self destructive on a rollercoaster fireball

Cut her tongue, don?t believe a word she says

E  
She?s on a hunt, cooking cooking cooking misery

Dbm  
Left my heart on the shelf for way too long

Sick and tired, picking up from the dirty floor

I saw the line of snakes that came to me

E  
So innocent were the days

Dbm  
The taste of good memories

A  
A bag full of hope that was only for me and you

Dbm  
No more broken dreams I feel like a loaded gun

Spitting bullets at your armor of mind control  
Cut her tongue, don?t believe a word she says

E  
She?s on a hunt, cooking cooking cooking misery

Dbm  
Cannot think, cannot talk, cannot do it right

Can?t call the doctor, he?s as sick as you and I

I saw the line of snakes that came to me

E  
So innocent were the days

Dbm  
The taste of good memories

A bag full of hope that was only for me and you
