

Volbeat - Fallen

tom:

Intro: D G

D
Feel a sadness burning in my heart
G
You left too early, father love
D
So many things I should have said
G
But in your mind you knew it well
D
Holding onto what I got and love
G
But things still seem so dark and cold
D
The fire burning down my happiness

But I will rise

(D G D G D G)

D
So proud and strong you truly were

D G
A gift from father to his only son

D
Watching over me with eagle eyes

G
You gave me freedom to a life

D G
Where dreams are born and truly became real

[Refrão]

D A
See me falling, yeah down and lonely

Bm A G
Are the angels on their way, I'm in the dirt

D A
Hear me screaming, see me bleeding

Bm A G
'Cause the day's no more the same without you

[Solo] D G D G

D
Promise me my son you always will

G
Cherish what you love believing in

D G
Never lose your values, stand up for the day

D
Oh, dear father, I thank you for the years

G
I'm writing this song on your desk

D G
Together we can make it through the day

[Refrão]

D A
See me falling, yeah down and lonely

Bm A G
Are the angels on their way, I'm in the dirt
