

# Volbeat - Goodbye Forever

tom:  
G

[Primeira Parte]

D G  
Did you say the thing you wanted? Have you ever felt in love?

A  
A moment where no problems would ever get you down

G D A  
Free as an eagle but only for a day (yeah, listen)

D G  
The final is a warning, wake up before you go

A  
There'll be no second chances, that day you're on your own

G D A  
Let out the feelings, tomorrow may not come

[Chorus]

Bm G  
All alone in the dark

D A  
Move the curtains for once

A Bm  
See the light life has brought, or goodbye forever

G  
Take the arms that embrace

D  
No more being afraid

A  
Feel the sun on your face, or goodbye forever

[Segunda Parte]

D G  
Were you listening to the evening? Have you ever felt the dawn?

A  
When everything around you told stories from the world

G D A  
Dear mother nature speaks louder than you know (oh, listen)

D G  
The final is a warning, wake up before you go

A  
There'll be no second chances, that day you're on your own

G D A  
Let out the feelings, tomorrow may not come

[Refrão]

Bm G  
All alone in the dark

D A  
Move the curtains for once

A Bm  
See the light life has brought, or goodbye forever

G  
Take the arms that embrace

D  
No more being afraid

A  
Feel the sun on your face, or goodbye forever  
[Ponte]

D  
We are the birth

D  
We are the end

G  
We are the souls

We have a name

Em A  
We are the rising and fallen ones

D Gb  
We are the spirit, forever more
