# Volbeat - Still Counting

Tom: F

```
    Dm
Counting all the assholes in the room
                        F                 Bb A
Well I´m definitely not alone, well I´m not alone
Dm
You´re a lier, you´re a cheater, you´re fool
                        F                 Bb A
Well that´s just like me yoohoo and I know you too

Dm
Mr. Perfect don´t exist my little friend
                    F             Bb A
And I tell you it again, and I do it again
Dm
Counting all the assholes in the room, Well I´m
                  F             Bb A
definitely not alone, well I´m not alone

Dm
Look deep into yourself before you blame all others
         F           Bb  A
for betrayal, for betrayal
    Dm                                        F
I promise, so easy to say, and easy you failed,
          Bb A
and you do it again

Bb
   Well the music seems do cover
                          F  Dm    F A
And all the liquid do the colours
Bb
   Well I turn my back and
                         F  Dm    F A
```

```
go for all the better things in order

Dm
Well maybe you think your lie is safe
                        F             Bb  A
But I read you like a letter, yeah like a letter
Dm
Your charm do not evens the pain
                        F                 Bb A
it feeds me with rage, and you do it again

Bb
   Well the music seems do cover
                          F  Dm    F A
And all the liquid do the colours
Bb
   Well I turn my back and
                         F  Dm    F A
go for all the better things in order

Bb
   Well the music seems do cover
                          F  Dm    Bb A
And all the liquid do the colours
Bb
   Well I turn my back and
                         F  Dm    F A
go for all the better things in order

Bb
   And a gangster keeps on telling
                          F  Dm    F A
That he got a song that matters
Bb
   So I flip a coin towards him
                         F       Dm F A
Thank you very much for listening
