

Volbeat - Wait a Minute My Girl

tom:
 E
 [Refrão]
 Wait a minute my girl
 Wait a minute my lover
 Summer's up and I want you to know
 That I won't live a minute without ya

[Primeira Parte]
 I've been waiting for a while
 I always had you on my mind
 Now you're here in flesh and bones
 My heart beats so
 And it's scaring me to death

But I can't
 [Refrão]

Wait a minute my girl
 Wait a minute my lover
 Summer's up and I want you to know
 That I won't live a minute without ya

(Dbm B E A)
 (B E A B)

[Refrão]

Wait a minute my girl
 Wait a minute my lover
 Summer's up and I want you to know
 That I won't live a minute without ya

[Ponte]

There's a light and it's right there

In front of me
 And a voice that whispers family
 Don't ignore the signs and
 The symbols that are here
 You might find the reason
 Why you're here

[Primeira Parte]

I've been waiting for a while
 I always had you on my mind
 Now you're here in flesh and bones
 My heart beats so
 And it's scaring me to death

[Refrão]

Wait a minute my girl
 Wait a minute my lover
 Summer's up and I want you to know
 That I won't live a minute without ya

[Final]

Try to say the right thing
 My heart is beating like thunder
 So wait a minute my Wait
 A minute my Wait
 So wait a minute my Wait
 A minute my Wait
 So wait a minute my Wait
 A minute my Wait
 A minute my girl
