

Voltaire - Almost Human

tom:
 Gm
 What did I ever do to you Cm
 That you should treat me this way? Gm
 Is it really such a crime Cm
 For an angel to speak his mind? Gm
 In time I'll try to shed some light Cm
 If I were a big boy I wouldn't cry Cm
 But since I'm not a big boy I'll have to cry Cm
 What did I ever do so wrong Cm
 That you should cast me from grace? Gm
 Though I love to rule in hell here Cm
 How I miss the taste of heaven Gm
 Its soft and cool embrace Cm
 If I were a big boy I wouldn't cry Cm
 But since I'm not a big boy Gm
 I'll have to close my eyes D
 And picture what's it's like Bb
 I'm just like you D
 I'm made by Him Gm
