

Voz da Verdade - Águas

Tom: A

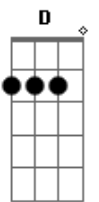

Beba desta água cristalina
 Pois a fonte é lá do céu, é Jesus de Nazaré
 Beba, e sede acabará, tua alma se alegra,
 Num sorriso remédio
 Água que se transforma numa fonte,
 Bem dentro do seu ventre
 Vai saltando para a vida eterna
 Água que inunda a minha alma

Que transforma meu viver
 Que me faz nascer de novo
 Vem derramar água sobre mim
 Vem derramar, inundar a minha alma,
 Até chegar a ti
 E faz chover chuva de montão
 E faz chover chuva de montão
 E faz chover, envolvendo corpo
 E alma e o meu espírito em louvor
