

Voz da Verdade - Ainda Estou Aqui

Tom: C

Ainda estou aqui depois de ter passado
 Por vales e montanhas, por rios e mares
 Por cova tão profunda, pelo desprezo
 E o meu preço era nada

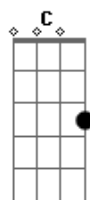

Ainda estou aqui depois que acreditei
 Que o meu Deus que tanto amei
 Estaria comigo na hora mais difícil
 E foi isto que aconteceu

Solo: C Bb F Ab G

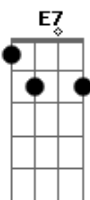

Ainda estou aqui, posso gritar ao mundo
 Que eu venci, passei por tudo
 Na minha vida o céu venceu
 E o inferno me perdeu, o inferno me perdeu
 Subindo a montanha senti o amor de Deus
 Dentro do vale a paz me alcançou
 Nos rios e mares não me afoguei
 Direi ao mundo ainda estou aqui, Ainda estou aqui

Final: C G C A F C Bb C
