

# Voz da Verdade - Além do Rio Azul

Tom: C

Intro: F G Am Am D F G C

Além do rio azul  
 As ruas são de ouro e de cristais  
 Ali tudo é vida, ali tudo é paz  
 Morte e choro, nunca mais  
 Tristeza e dor, nunca mais

Verei o grande rio da vida  
 Claro como o cristal  
 Verei a face meu do mestre querido

Não haverá mais noite ali, não haverá nenhum clamor  
 Verei os olhos de Jesus e tocarei seu corpo enfim 2X

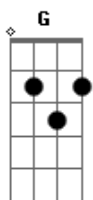

As nações andarão a sua luz  
 E as portas jamais se fecharão  
 A cidade é de ouro puro, de Jaspe é seu muro  
 Além do rio azul

SOLO Bb F C Bb F G

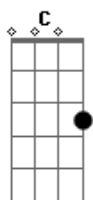

Morte e choro tristeza e dor  
 Nunca mais, nunca mais,  
 Além do rio azul

Além do rio azul 2X
