

# Voz da Verdade - Basta ter Jesus

tom:

Intro: C

As angústias eram tantas  
 Que eu pensava em voar  
 Ter as asas como pomba  
 No deserto descansar  
 E fugir da tempestade  
 E do vento violento  
 Mas meu pobre coração  
 Não encontrava a paz

Mas alguém me falou  
 Que Jesus tem tanta paz  
 E que em qualquer lugar  
 Nele podes descansar  
 [Refrão]  
 Basta ter Jesus no coração  
 Pró ter paz em qualquer lugar  
 Basta ter Jesus no coração  
 Pró ter paz em qualquer lugar
