

Voz da Verdade - Encontro Eterno

Tom: G

Intro: Em D C B Em D C B Em

Espera só mais um pouquinho que em breve Jesus voltará

Siga esta sua jornada não pare nem pra descansar. Volte Jesus...

Refrão:

Nas nuvens com Ele vou me encontrar, volte Jesus (Jesus voltou)

E um abraço eterno nEle vou dar, volte Jesus (Jesus voltou)

No céu já não existem mais estrelas, volte Jesus (Jesus voltou)

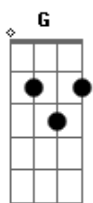

Vai se erguer a bandeira, a bandeira de Deus

As flores já crescem mais bonitas, e o rio jamais secará,

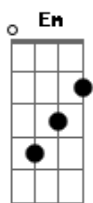

As lágrimas já são passadas e a força da morte acabou,

Jesus voltou.
