

Voz da Verdade - O Ladrão Perdoado

Tom: C

Eu queria estar lá pra falar com aquela gente

Do amor que Jesus trouxe ao mundo carente

Eu queria ser o ladrão perdoado

que a beira da morte da vida eterna foi assegurado

Eu queria ver ao vivo o sangue quente

Que escorria da frente daquele homem inocente

Eu queria ser o ladrão perdoado

Que a beira da morte da vida eterna foi assegurado

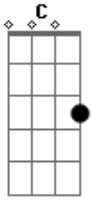

Mas eu descobri, neste mesmo instante senti

Que eu estava lá naquela cruz

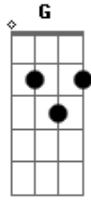

E que Jesus me perdoou e me deu a salvação

Porque eu era o ladrão
