

Voz da Verdade - Pomba Minha

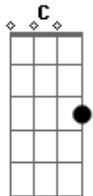

Tom: C

Intro: Am G Ab E

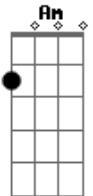

O inverno já passou
 E a chuva já secou
 Aparecem as flores na terra
 Chega o tempo de cantar
 Quem é esta quem vem subindo tão linda
 Vestida de um linho fino e tão branco
 Quem é esta que vem cheirando a mirra e aloés
 É a minha igreja, a minha amada, santa ela é

Pomba minha, pomba minha
 Faz-me ouvir a sua voz
 Ela é doce e aprazível
 Vem de longe para mim
 Pomba minha, pomba minha
 Faz-me ouvir a sua voz
 Ela é doce e aprazível
 Vem de longe meu amor
 Final: Cm Fm Bb Eb Fm Cm G Cm
 Teu esposo, Jesus
