

Waguinho - O Mundo Precisa Saber

Tom: C

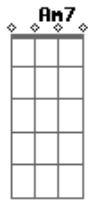

Quando ouvi a tua voz
 A me chamar sentir
 Que era tempo de recomeçar
 Então parei pra refletir
 Percebi o quanto eu estava infeliz
 Levando a vida sem me preocupar
 A ponto de me machucar

Aprendi e nunca mais quero te abandonar
 A minha vida entrego em teu altar
 Eu sou todo ..teu
 Agora só vivo pra te exaltar
 Eu vou proclamar ninguém vai me calar
 O mundo precisa saber
 Que eu te amo
