

Waitress (Musical) - I Didn't Plan It

tom:
 G
 Go ahead Ebm
 Throw your rocks at me Db
 From your little glass house Gb
 And then take off running B Ebm
 You're no better than me Db
 We've both made mistakes, haven't we? Bbm B Ebm
 I won't undo what I'm doing Db
 Sit in judgment of what makes us human Gb B Ebm
 I don't claim to be proud Db
 But my head won't be hung in shame Bbm B
 I didn't plan it Db
 But the light turned red, and I ran it Gb B Db
 And I'm still standing Gb B Db
 It's not what I wanted, but now that it's right here Ebm Gb Ab
 I understand it B
 A story written by my own hand Ebm Db B
 It's life biting right at your heels Ebm Db Ab
 I didn't plan it B
 But it's finally something to feel Db Ebm Db Gb
 Oh B

Ebm
 Look around you
 Ain't no saints here, baby Db
 We're all just looking for a little less crazy Gb B Ebm
 And sometimes, it's a hard left turn Db
 Down a road you never thought you'd see Bbm B
 I didn't plan it Db
 Taking back what's been taken for granted Gb B Db
 And I can't stand it Ebm
 I'm sick of the way I've been waiting to break free Gb Ab
 I needed saving B
 And a good mistake needed making Db Ebm
 Maybe you need the same thing Ab B
 Something to feel Db
 To race through your blood Ebm
 And remind you you're here Ab
 To open your eyes and look around B Db
 And see the sky when you're underground Ebm Ab
 I didn't plan it B
 But that's life Db
 And I'm finally feeling alive Ebm Ab
 It's not right, but it's mine B Abm
 And it's finally something to feel Db Ebm Db Gb B
