

# Waitress (Musical) - What Baking Can Do

tom:  
 G  
 Gb  
 Make it work  
 Make it easy  
 Make it clever  
 Craft it into pieces  
 B  
 Make it sweet  
 Crimp the edges  
 Or make it sour and serve with lemon wedges  
 Gb  
 Even doubt can be delicious  
 And it washes off of all the dirty dishes  
 B  
 When it's done I can smile  
 Ebm  
 It's on someone else's plate for a while  
 Ab  
 I'll place it on display  
 B Db  
 And then I'll slice and serve my worries away  
 F  
 I can fix this  
 Am  
 I can twist it into  
 Dm  
 Sugar, butter covered pieces  
 Db C  
 Never mind what's underneath it  
 F Am  
 I have done it before  
 Dm  
 I'll bake me a door  
 C A Dm  
 To help me get through  
 C A Dm  
 I learned that from you  
 Bbm Gb  
 Mama, it's amazing what baking can do

Gb  
 Make it up  
 And surprise them  
 Tell them all my secrets  
 But disguise them  
 B  
 So they dance on the tongues  
 Of the very people that they're secrets from  
 Ebm  
 Make it soon  
 Make it better  
 Ab  
 Though better never lasts forever  
 B  
 I'll make it small  
 Db Gb Db  
 So it fits even this  
 B  
 Even now  
 Db Gb B  
 Even as the walls come tumbling down  
 Db Gb B  
 Even as I can't stop remembering how  
 Db Gb  
 Every door we ever made  
 B  
 We never once walked out  
 Abm B Db  
 Something I never got the chance to ask her about  
 Ebm Gb  
 So with flour on my hands  
 B Db F Am  
 I'll show them all how goddamn happy I am  
 Dm  
 Sugar, butter, flour  
 G F  
 Don't let me down  
 Am  
 Let's see the next amazing thing  
 C F  
 Baking does now
