

# Waldick Soriano - Torturas de amor

Tom: G

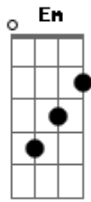

Hoje que a noite está calma  
 E que minh'alma esperava por ti  
 Apareceste afinal  
 Torturando este ser que te adora  
 Volta fica comigo  
 Só mais uma noite  
 Quero viver junto a ti

Volta meu amor  
 Fica comigo não me desprezes  
 A noite é nossa  
 E o meu amor pertence a ti  
 Hoje eu quero paz  
 Quero ternura em nossas vidas  
 Quero viver por toda vida  
 Pensando em ti
