

# Walk off the Earth - I'll Be There

tom:

Gm Eb

When the tears are rolling down  
 Like a river to the ocean  
 And there's no one else around  
 You won't question my devotion  
 Everybody needs somebody  
 And you got me

Bb F

You know that I know that you know that  
 I'll be there for the highs and lows  
 Give you mine if your heart gets broke  
 By your side When you're all alone  
 I will beeeee there  
 When you're down and down on your luck  
 No ride home and you got too drunk  
 2 AM I'ma pick you up  
 I will beeeee there

Gm Eb Bb F

I'll be there, I'll be there, I'll be there for you  
 I'll be there, I'll be there, I'll be there for you  
 When you're down and down on your luck  
 No ride home and you got too drunk

Oooh

Gm Eb Bb F

I'll be there, I'll be there, I'll be there for you  
 When you're heart could use a break  
 And it's too broken to be open  
 I'll be patient, I will wait  
 Until you're ready to be open  
 Everybody (everybody)  
 Needs somebody (needs somebody)  
 And you got me

Bb F
