

# Walk off the Earth - Royals

Tom: Ab

(com acordes na forma de F )  
Capostrate na 3ª casa

I've never seen a diamond in the flesh  
I cut my teeth on wedding rings in the movies  
And I'm not proud of my address, in the torn up town  
No post code envy

But every song is like gold teeth, grey goose, trippin' in the bathroom  
Blood stains, ball gowns, trashin' the hotel room,  
We don't care, we're driving Cadillacs in our dreams

But everybody's like crystal, Maybach, diamonds on your time piece  
Jet planes, islands, tigers on a gold leash  
We don't care, we aren't caught up in your love affair

And we'll never be royals...  
It don't run in our blood

That kind of luxe just ain't for us  
We crave a different kind of buzz

Let me be your ruler...  
You can call me queen bee

And baby i'll rule i'll rule i'll rule...  
Let me live that fantasy

My friends and I we've cracked the code.  
We count our dollars on the train to the party  
And everyone who knows us knows... that we 're fine with this  
We didn't come for money

But every song is like gold teeth, grey goose, trippin' in the bathroom  
Blood stains, ball gowns, trashin' the hotel room,  
No post code envy

We don't care, we're driving Cadillacs in our dreams  
But everybody's like crystal, Maybach, diamonds on your time piece  
Jet planes, islands, tigers on a gold leash  
We don't care, we aren't caught up in your love affair

And we'll never be royals...  
It don't run in our blood

That kind of luxe just ain't for us  
We crave a different kind of buzz

Let me be your ruler...  
You can call me queen bee

And baby i'll rule i'll rule i'll rule...  
Let me live that fantasy

Oooh oooooh oooooh ohhh  
We're bigger than we every dreamed, and I'm in love with being queen

Oooh oooooh oooooh ohhh  
Life is game without care, and we aren't caught up in your love affair

And we'll never be royals...  
It don't run in our blood

That kind of luxe just ain't for us  
We crave a different kind of buzz

Let me be your ruler...  
You can call me queen bee

And baby i'll rule i'll rule i'll rule...  
Let me live that fantasy
