I'm looking for a

Summer vibe Got me turning on the radio, I got to kick these blues,

working all day, trying to make pay, wishing these clouds away

I wanna feel the sunshine

Hit the sand, take a walk in the waves with nothing else to do

sipping on the suds, working on a Buzz, keeping my drink in the shade

taking my time

With you by my side, a Cadillac ride, Jammin with the boys Bonfire at night

Summer vibe a aha a Looking for a summer vibe a aha a

I paid my dues got nothing to prove, laying on the dock just talking to you

Summer vibe a aha a Looking for a summer vibe a aha a

I'm Jonesing for a

good time, hitting beaches all down the coast, I'll find a place to post

Gonna somehow, find a luau, dance this old night away

C

I'm drinking something blue from a coconut, music all up in the place,

under the moonlight Taking my time ~

With you by my side, a Cadillac ride, Jammin with the boys Bonfire at night
