 Intro: (D A)

Aye
 My girl is bangin'
 She's so low maintenance
 Don't need no champagne poppin' entertainment
 Take her to Wendy's
 Can't keep her off me
 She wanna dip me like them fries in her frosty
 But every now and then when I get paid
 I gotta spoil my baby with an upgrade
 Aye, aye, aye
 Yeah, we fancy like Applebee's on a date night
 Got that bourbon street steak with the oreo shake
 Get some whipped cream on the top too
 Two straws, one check, girl, I got you
 Bougie like Natty in the styrofoam
 Squeak-squeakin' in the truck bed all the way home
 Some Alabama-jamma, she my dixieland delight
 Aye, that's how we do, how we do, fancy like, oh
 (Fancy like an oh)
 (Fancy like an oh)
 Fancy like an oh
 Don't need no Tesla to impress her
 My girl is happy rollin' on a vespa (there she go)
 Don't need no mansion to get romancin' (no mansion, woo)
 She's super fine, double wide, slow dancin' (slow dancin')

But every now and then when I get paid
 I gotta spoil my baby with an upgrade
 Aye, aye, aye

 Aye, that's how we do, how we do, fancy like
 My new, clean blue jeans without the holes in 'em
 Country kisses on my lips without skoal in 'em
 Yeah, she probably gon' be keeping some victoria's secrets
 Maybe a little maybelline but she don't need it
 In the kitchen light radio slows down
 Boxed wine and her up-do goes down
