

Wallash Tom - Um Dia de Chuvas

tom:

A

Quando o inverno chegar

E novamente despertar

Todo aquele (meu) amor

Foi de tristezas e de dor

A fartura de um amor

Que tudo teve um fim

Hoje se soubesse da flor

Da beleza e do amor

Eu não teria mais ninguém

Quando o coração palpita

Não há paixão que repita

Aquela forma de amar

A D A
Mas vou sair por aí

D A
A procura de ti

Bm E
Só pra ver se tu vem

Gbm B7 Gbm
Quero a pureza da vida

B7 Gbm
A verdade contida

E A
Em cada beijo teu

Gb7 B7
Mesmo que a chuva não

Gb7
Passe

B7 Gb7
Como a flor quando nasce

B7 E
A exaltar para a vida

D Em D
Será o renascer da aurora

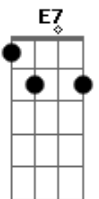

Em D
Na mais perfeita das horas

E A E7
A chama do amor
