## Wallows - Anytime, Always

Can't think of the last time that I truly smiled tom: Abm Till you looked up at me, could you stay a while? Dbm I only need a shoulder to cry on, cry on Dbm Let's look back on past times, the good and the bad So please would you leave me a light on? Light on Let's make up the best years you and I have ever had And I'll come by when you don't mind Can't think of the last time that I truly smiled But not if it'll only waste your time Till you looked up at me, could you stay a while? Gbm Dbm Dbm Well, you can call me anytime, always Let's look back on past times, the good and the bad You can call me anytime, always Let's make up the best years you and I have ever had Gbm You can call me anytime, always F Abm You can call me anytime, always Dbm You can call me anytime Dbm You can call me anytime, always (Gbm Dbm A E) You can call me anytime, always Dbm I hope you whisper close when you lean in, lean in You can call me anytime, always Abm

You can call me anytime, always

You can call me anytime, always

You can call me anytime, always E You can call me anytime, always

You can call me anytime

Dbm

Abm

Dbm

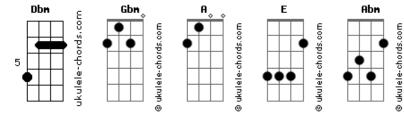

A And please give me some kind of reason, reason Dbm To let go of the state of mind A That the only time I waste is mine

Gbm

Well, you can call me anytime, always A You can call me anytime, always Gbm

You can call me anytime, always Dbm You can call me anytime
