

# Wallows - Calling After Me

tom:

[Intro] Bbm Eb Ab Db

Bbm Eb  
Who's somebody you know you shouldn't call?  
Ab Db  
Who were you kissing in the back of your car?  
Bbm Eb  
Who's the one, the one who got away?  
Ab Db  
Who are you thinking of when you end the day?  
Bbm Eb Ab  
?Cause I know you can see we're more than a secret  
Bbm Cm Ab Db  
You know I can be just what you want

[Refrão]

Bbm Eb  
?Cause I've been out until the morning  
Ab Db  
And I don't think I'll last another night  
Bbm Eb  
I knew the feeling would be forming  
Ab Db  
After I took a look into your eyes  
Bbm Eb  
But are you ready for it darling?  
Ab Db  
I'll take all your responsibilities

[Pós-Refrão]

Bbm Eb Ab  
And you've got everybody calling  
But I know that you're calling after me  
Bbm Eb  
Don't play dumb I know you fantasize  
Ab Db  
You can have me in the back every night  
Bbm Eb  
I don't mind the things that you've been doing  
Ab Db

Think you need someone like me to get through it
