 Help me darling now I'm feeling low
F7 **C7** **F7** **C7**
 But honey I just wanna let the sun in
F7 **C7** **F7** **C7**
 Let the day just come and go

Dm7 **G** **C** **Am**
 And I just want to find
Dm7 **G** **C** **Am**
 Oh, I just want to find

 All the secrets that you're keeping inside

 Help me darling now I'm feeling so lost
F7 **C7** **F7** **C7**

 With you I see the world completely different
F7 **C7** **F7** **C7**
 With you I need no place to hide

F7 **C7** **F7** **C7**
 And some would like it best if they're headed for your chest
F7 **C7** **F7** **C7**
 But I just wanna talk again tonight

F7 **C7** **F7** **C7**
 And some would be okay, just washing you away
F7 **C7** **F7** **C7**
 But I don't wanna do that anymore
 'Cause it's real
