[Primeira Parte]

E Abm  
We don't need a repeat of the night when  
Dbm B  
You called me over to your apartment  
A B  
Should we get close? Should we put the lights down?  
A Dbm B  
It was never right, I don't think you know now  
E Abm  
There's a lot of things that I could tell you  
Dbm B  
But some things are left better if you never knew  
A B  
So I shut myself up with a night cap  
A Dbm B  
I'm not tempted, I just don't like that

Gbm E B A  
Who said I don't understand  
Abm Gbm  
Or that I probably won't remember  
Gbm E B A  
Time in the palm of your hand  
Abm Gbm  
We both let go together  
Dbm B  
But I promise, I get your sentiment  
A B  
I wonder who's been at your apartment  
Dbm B  
Would you give in, or would you relent?  
A B  
Who's been tryin' to get in your bed?

[Segunda Parte]

E Abm  
Empathetic to you and your healing
