

Walmir Alencar - Um Milagre

Tom: C

Intro: : C : G G : Dm : F G : C : G Am : Dm C : F

Sou um milagre, renasci
 Das sombras da morte ressurgi
 Ele me chamou, me resgatou, me restaurou

Qual refrigerio em meu ser
 Foi inundando meu viver
 Ele me amou, comigo está, com ele eu vou

C C7M G Am

Tua presença me envolve e me leva a seguir

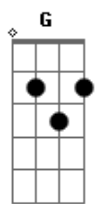

Senhor, eu dependo de ti
 A quem irei e adorarei?

Na minha vida o tempo passou e eu o perdi

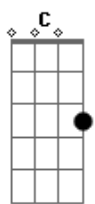

Quem dera eu estar sempre aqui, pra teu louvor

Ó Rei dos reis, selaste em mim pra sempre o teu amor
