A E - Gb G

de graça, doado, cagado, esquecido, abandonado,

hoje troquei a minha janta por cerveja e por você

hoje troquei meu coração por um gelado, fudido, enlatado.

comprado no Amazon por uns trocados modelo feito pra irritar pessoas

ao meu redor, ao meu redor

Intro: D

Vida de merda, de porra nenhuma,

mediocre. Meio Bauhaus, meio inverno, meio rock and roll moderno,

mediocre. Meio Bauhaus, meio inverno

meio rock and roll moderno,

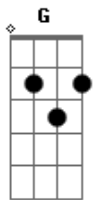

completo e sem sal. completo e sem sal.

Intro: G

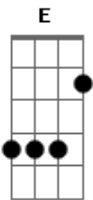

Meu paladar se preparou pra degustar barato,

completo e sem sal. completo e sem sal.
