

Wanessa - Hair & Soul

Tom: D

Shine your hair and so-oh-oh-oh-oul
 Like it's rich as go-oh-oh-oh-gold
 Shine your hair and so-oh-oh-oh-oul
 A natural beauty you already know
 Let me hear you say
 Hey, all my ladies, "holla" if you know
 Always busy never stop-in, livin' life on the go
 That is ok, cause it's how we role
 And we all have our own way of showing it (showing it)
 It feels so good, take control of it (control of it)
 You can't hide, what's deep inside of you, so bring it out

Shine your hair and so-oh-oh-oh-oul
 Like it's rich as go-oh-oh-oh-gold
 Shine your hair and so-oh-oh-oh-oul
 A natural beauty you already know
 Shine your hair and so-oh-oh-oh-oul
 Like it's rich as go-oh-oh-oh-gold
 Shine your hair and so-oh-oh-oh-oul
 A natural beauty you already know
 Let me hear you say

Hey, all my ladies, we're so beautiful
 We got so much style, oh yeah, hair and soul
 Hey, all my ladies, we're so beautiful
 We got so much style, oh yeah, hair and soul

Can't explain the way it feels
 When your true color shows
 Hey, all my ladies, ?holla? if you know
 It's a feeling like no other, shining head to toe (toe)
 You're in your skin living comfortable

And we all have our own way of showing it (showing it)
 It feels so good, take control of it (control of it)
 You can't hide, what's deep inside of you, so bring it out

Shine your hair and so-oh-oh-oh-oul
