Em I held my head up high G

I look up to the sky C

(I look up to the sky) Am

I just wanna breathe Em

Wanna breathe G

I just wanna breathe C

Wanna breathe Am

Em My life is a mess G

But I pull over (over) C Am

For you to ride Em

For you to ride, ride G C

(For you to ride) Am

Em So come a little closer G

Look inside my eyes C Am

Em Let me find my place G

Inside your arms C Am

Em I look up to the sky G

Am And the pain inside me C

Em Heals a little

Em Heals a little

G Heals a little

C Heals a little Am ooh

I just wanna breathe (wanna breathe) Em G

I just wanna breathe (wanna breathe) C Am

I just wanna breathe (wanna breathe) Em G

I just wanna breathe (wanna breathe) C Am
