

Warpaint - Burgundy

tom:

G

Bm G Bm G

If you want to hold me, I want you more
Than anyone ever wanted anyone before
(Ah, Ah, Ah, Aa Ah Ah Ah)

If you want to hold me, I'll hold you, yeah
If you want to hold me, hold me down
I'll need, a little room
To sway

You hold me anyway
All, my life where I cant take you on my own
(Bm)

I'll always hold
I'll always hold you, to me
Say out, I am what you are and not but me

So hold, me closer
But now that you are going to find you

Bm G
Now that you are going to find you now
(Gbm E Gbm)

Gbm E Gbm
I see your face inside
Shining in your deep blue eyes
I see your love inside
And it is starting to all make sense

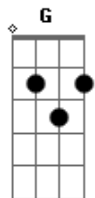

Gbm A Bm D
I am a lion
A tiger sleeping under my skin
A tiger sleeping under your skin

Gbm A Bm D
Not afraid to find

Gbm A Bm D
Disappearing here with love
I see your face inside
Shining in your dreams tonight
I see your love inside
And I'm watching through somebody else

(Bm G Bm)
(G Bm G)
