

# Warpaint - Burgundy

tom:

G

Bm G Bm G

Bm G

If you want to hold me, I want you more

Than anyone ever wanted anyone before

(Ah, Ah, Ah, Aa Ah Ah Ah)

G Bm

If you want to hold me, I'll hold you, yeah

G

If you want to hold me, hold me down

I'll need, a little room

To sway

G

You hold me anyway

All, my life where I cant take you on my own

( Bm )

I'll always hold

I'll always hold you, to me

Say out, I am what you are and not but me

Bm

So hold, me closer

G

But now that you are going to find you

Bm G

Now that you are going to find you now

( Gbm E Gbm )

Gbm E Gbm

I see your face inside

Shining in your deep blue eyes

I see your love inside

And it is starting to all make sense

Gbm A Bm D

I am a lion

A tiger sleeping under my skin

A tiger sleeping under your skin

Gbm A Bm D

Not afraid to find

Gbm A Bm D

Disappearing here with love

I see your face inside

Shining in your dreams tonight

I see your love inside

And I'm watching through somebody else

( Bm G Bm )

( G Bm G )
