I've got a picture of your house
 And your standing by the door
 It's black and white and faded
 And it's looking pretty worn

See the factory that I worked
 Silhouetted in the back
 The memories are gray
 But man they're really coming back
 I don't need to be the king of the world
 As long as I'm the hero of this little girl

Heaven isn't too far away
 Closer to it every day
 No matter what your friends might say

How I love the way you move
 And the sparkle in your eyes
 There's a color deep inside them
 Like a blue suburban sky

When I come home late at night
 And you're in bed asleep
 I wrap my arms around you
 So I can feel you breathe

I don't need to be a superman
 As long as you will always be my biggest fan

Heaven isn't too far away

Closer to it every day (oh-oh)
 No matter what your friends might say
 We'll find a way

(Whoa, yeah, babe)
 Now the lights are going out
 Along the boulevard
 The memories come rushing back
 And it makes it pretty hard
 I've got nowhere left to go
 And no one really cares
 I don't know what to do
 But I'm never giving up on you

Heaven isn't too far away
 Closer to it every day (oh-oh)
 No matter what your friends say
 I know we're gonna find a way
