

# Warren Barfield - The Time Is Now

Tom: C

Afinação: D G C F A D Solo do começo acompanha dedilhando a noa Am:  
 C|-----0---2---0-----  
 G|---0---3-----3-0

I cut my teeth, on the back of an old church pew  
 I learned to walk in the ways of light and truth  
 And I was told not to speak til I was spoken to  
 I heard it preached, what I should and I should not do  
 And the choir sang  
 Am (dedilhado com o solo)  
 Woh oh oh oh oh oh ohh Woh oh oh oh oh oh ohh  
 I tried to be a good boy but I ain't a boy no more  
 I've seen some things that a man just can't ignore  
 And this world's gone see what I am standing for  
 I've kept my peace, I can't hold my tongue anymore  
 You can't buy my silence, you can't steal my voice  
 You can't keep me quiet, I will bring the noise

Try to beat me down, tell me to shut my mouth  
 But there's a time to speak and the time is now  
 Am (dedilhado com o solo)  
 Woh oh oh oh oh oh ohh Woh oh oh oh oh oh ohh  
 The squeaky wheel is always getting greased  
 I've been sitting still, Park here on the side of the street  
 Always tip-toeing trying not to wake the beast  
 Oh but here I come, All you monsters had better run from me  
 You can't buy my silence, you can't steal my voice  
 You can't keep me quiet, I will bring the noise  
 Try to beat me down, tell me to shut my mouth  
 But there's a time to speak and the time is now  
 Ooh It's the time and the time is now  
 Woh oh oh oh oh oh ohh Woh oh oh oh oh oh ohh  
 Woh oh oh oh oh oh ohh Woh oh oh oh oh oh ohh  
 Woh oh oh oh oh oh ohh Woh oh oh oh oh oh ohh
