

# Warren Zeiders - Never Look Back Chords

tom:  
 Db (forma dos acordes no tom de D )  
 Afinação: Eb Ab Db Gb Bb Eb

Bad moon risin?  
 And horses runnin'  
 Gravel flyin?  
 That's what I've been thinking ever since you walked in  
 I've got a feelin? we could get this dive bar talkin'  
 Bad moon risin?  
 Horses a-roundin'  
 Gravel flyin?

How 'bout you and I  
 Chase a little trouble with some whiskey on ice  
 Kiss the past goodbye  
 You're my shotgun Bonnie, I'm your getaway Clyde  
 We'll ride, ride this night like a one way track  
 Live or die  
 If you're all mine I'ma never look back, mhm  
 (I'ma never look back)

Blonde hair blowin?  
 Shadow dancin'  
 Lines are blurin?  
 Deserts callin'

Strangers fallin?  
 Got me burnin'  
 Yeah, I'm liking where it's going ain't no stoppin'  
 How 'bout you and I  
 Chase a little trouble with some whiskey on ice  
 Kiss the past goodbye  
 You're my shotgun Bonnie, I'm your getaway Clyde  
 We'll ride, ride this night like a one way track  
 Live or die  
 If you're all mine I'ma never look back, mhm  
 (I'ma never look back)

Mhm  
 This road's somethin' crazy  
 Don't say maybe  
 Say you're all in

How 'bout you and I  
 Chase a little trouble with some whiskey on ice  
 Kiss the past goodbye  
 You're my shotgun Bonnie, I'm your getaway Clyde  
 We'll ride, ride this night like a one way track  
 Live or die  
 If you're all mine I'ma never look back, mhm  
 (I'ma never look back)
