

# Warren Zeiders - Ride The Lightning Chords

tom:  
Capo: 1ª casa  
Intro: Dm F C G  
Dm F C G

Mama always said I was born on the wild side  
One foot in the flames and the other trying to walk the line  
Can't say I never saw it coming  
I could see the warning signs  
Mama always said I was born on the wild side

I guess mama was right  
Cause when the clock strikes midnight  
[Refrão]

Gonna ride the lightning  
Feel the thunder  
Till the darkness pulls me under

Gonna fly on  
Wings of fire  
Pray the good Lord leads me higher

Singing oh, when they call me home  
Singing, oh, when they call me home  
Gonna ride the lightning

There's a man in a black coat standing at a crossroads  
With a pad in his hands and a long list of lost souls  
They say he flips a coin forged out of fools gold  
There's a man in a black coat standing at a crossroads

I hope he lets me pass by  
And I close my eyes  
[Refrão]

I'm gonna ride the lightning  
Feel the thunder  
Till the darkness pulls me under

Gonna fly on  
Wings of fire  
Pray the good Lord leads me higher

Singing oh, when they call me home  
Singing, oh, when they call me home

Gonna ride the lightning  
Ride the lightning  
Ride the lightning-ing  
[Refrão]

I'm gonna ride the lightning  
Feel the thunder  
Till the darkness pulls me under

Gonna fly on  
Wings of fire  
Pray the good Lord leads me higher

Singing oh, when they call me home  
Singing, oh, when they call me home  
Gonna ride the lightning
