Intro: C G Am Em F
C D E A

Vem dançar forró, vem dançar forró

Bem agarradinho até descer o suor

Vem dançar forró, vem dançar forró

Bem agarradinho até descer o suor

Venha meu amor pra junto de mim

Venha me esquentar, traga seu fogo pra mim

Venha meu amor pra junto de mim

Venha me esquentar, traga seu fogo pra mim

Vem dançar forró, vem dançar forró

Bem agarradinho até descer o suor

Vem dançar forró, vem dançar forró

Bem agarradinho até descer o suor

Venha meu amor pra junto de mim

Venha me esquentar, traga seu fogo pra mim

Venha meu amor pra junto de mim

Venha me esquentar, traga seu fogo pra mim

Só se for agarradinho

Para sentir o teu calor

Eu quero o teu carinho

Quero um pouquinho de amor

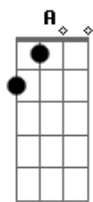

Eu tou te esperando amor

Vem bem depressa, vem me amar

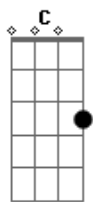

A sanfona está tocando

Convidando a gente pra dançar
