

W.A.S.P. - Sleeping In The Fire

Tom: **A**
Intro: **Em**

Em D2
Touch, touch in the flame's desire

Feeling the pain's denial C

And your finger's in the fire Em

Look, look in the candle light D2

See in the flame of life C

And my spell our lie Em

Taste the love, The lucifer's magic that makes you numb D2

The passion and all the pain are one C

You're sleeping in the fire Em

Taste the love, the lucifer's magic that makes you numb D2

You feel what it does and you're drunk on love C

Em

You're sleeping in the fire

(**C** **Em**)

C Em
I gaze as the flame and fire burn

And cry out the name of which I yearn Em

C **A** **B**
Oooooooooooooohhh

[Solo] **Em** **D2** **C**

Taste the love, The lucifer's magic that makes you numb D2

The passion and all the pain are one C

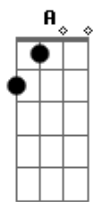

You're sleeping in the fire Em

Taste the love, the lucifer's magic that makes you numb D2

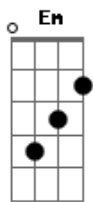

You feel what it does and you're drunk on love C

You're sleeping in the fire Em
