Riff 01

Will I be alone this morning?
 Will I need my (friends)?
 Something just to ease away my pain.

No-one ever sees the loneliness
 Behind my face
 I am just a prisoner to my fame

(Dm C Gm Dm)

Dm

Acordes

If I could only stand
 And stare in the mirror would I see
 One fallen hero with a face like me
 And if I scream, could anybody hear me
 If I smash the silence you'll see what fame has done to me
 Kiss away the pain and leave me lonely
 I'll never know if loves a lie.. being
 Crazy in paradise is easy
 Do you see the prisoners in my eye

Where's the love to shelter me?
 Give me love come set me free
 Where is the love to shelter me?
 Only love, love set me free

[Solo]

Kiss away the pain and leave me lonely
 I'll never know if loves a lie.. being
 Crazy in paradise is easy
 Do you see the prisoners in my eye

Where's the love to shelter me?
 Give me love come set me free
 Where is the love to shelter me?
 Only love, love set me free
