Breathe a night full of treasures
The wind is delicious
Sweet and wild with the promise of pleasure
The stars are alive
And nights like these
Were born to be
Sanctified by you and me
Lovers, thieves, fools and pretenders
And all we gotta do
All we gotta do
All we gotta do
All we gotta do
All we gotta do
All we gotta do
All we gotta do is surrender
All we gotta do is surrender, surrender, surrender
