Intro:

[Primeira Parte]

I wish there was a situation to be mad at
 Or a person I could blame
 I've got a loud mouth, I'm pale with a ghost obsession,
 But behind the scenes with her I'm playing 21 Questions
 There's gotta be a reason
 You keep your guy in hiding
 I'm becoming what I've hated
 But your talk is so inviting

[Pré-Refrão]

But then what?
 You drop your guy and take me on
 It's everything I wanted
 But then what?
 Would you get tired of my time?

[Refrão]

My mood's dictated by our conversations
 And if you don't text I get too frustrated
 I want you all to myself this time
 Conflicted looks good on me
 I'm trying desperately
 I want you all to myself this time

[Segunda Parte]

I never have to
 Carefully shape sentences
 When I've got some words to say
 They're falling from my mouth from the time
 That they hit my brain
 'Cause we built a picture made for frames
 We live in chemistry away from all the wasted time and taste

[Pré-Refrão]

But then what?
 You dropped your guy and took me on
 It's everything I wanted
 But then what?

Would you get tired of my time?

[Refrão]

My mood's dictated by our conversations
 And if you don't text I get too frustrated
 I want you all to myself this time
 Conflicted looks good on me
 I'm trying desperately
 I want you all to myself this time

[Ponte]

We built a picture made for frames
 We live in chemistry away from all the wasted time and taste
 And it sucks to sleep
 'Cause you aren't talking to me
 I wanna give you space
 But the amount between us is wrecking me

[Pré-Refrão]

But then what?
 You dropped your guy and took me on
 It's everything I wanted
 But then what?
 Would you get tired of my time?
 'Cause then what?
 You dropped your guy and took me on
 It's everything I wanted
 But then what?
 Would you get tired of my time?

'Cause then what?
 You dropped your guy and took me on
 It's everything I wanted
 But then what?
 Am I in his position now?
 'Cause then what?
 You dropped your guy and took me on
 It's everything I wanted
 But then what?
 Would you get tired of my time?

[Refrão]

My mood's dictated by our conversations
 And if you don't text I get too frustrated
 I want you all to myself this time

Conflicted looks good on me
 I'm trying desperately
 I want you all to myself this time
