

# Waterparks - Lucky People

Tom: Db

(forma dos acordes no tom de F)

Capotraste na 8ª casa

Intro: C Em Am G F

Light us up until we pop

I wanna burn bright 'til we're not

Let's keep each other safe from the world

I'll be your optimistic black hole

Full of love I can't control

Let's keep each other safe from the world

From the world

Happy Birthday, Merry Christmas

To the one I call my missus

I'm leaving you love notes in the kitchen, that say it all

I know you said to mind my business

But Cupid sent me on a mission

It's got me sitting, wishing, waiting for your call

Let's be lucky people, you and me

Ooh, ooh, ooh

My hourglass is in your hands

You've got my time, you are my plans

Let's keep each other safe from the world

You've got me writing sappy songs

I used to laugh at on my own

Let's keep each other safe from the world

'Cause I know it's hard to let yourself be fine

When we carry around our worried flurried minds

But I'll let go if you do too

Happy Birthday, Merry Christmas

To the one I call my missus

I'm leaving you love notes in the kitchen, that say it all

I know you said to mind my business

But Cupid sent me on a mission

It's got me sitting, wishing, waiting for your call

Let's be lucky people, you and me

Ooh, ooh, ooh

My common sense is powerless

And I'm convinced that you have caught me

Luck is just the half of it

The better half of me that I couldn't quit

'Cause now I'm flying across the country

More than monthly for you

You've got me more than clumsy

But you're my yellow lovely

( F C G Am F C G )

Happy Birthday, Merry Christmas

To the one I call my missus

I'm leaving you love notes in the kitchen, that say it all

I know you said to mind my business

But Cupid sent me on a mission

It's got me sitting, wishing, waiting for your call
