

Wavves - Lunge Forward

```
(Eb F Eb)
                         tom:
                                                         D C
              E (forma dos acordes no tom de F )
                         Afinação: Eb Ab Db Gb Bb Eb
                                                         Woooo
Intro: F Eb Ab Bb
                                                         Wooo Wooo
[Primeira Parte]
                                                         D C
                                                         Woooo
    Eb
           Ab Bb F
 I wake up and stretch my arms
                                                         Wooo Wooo
           Eb Ab Bb
                                                         D C
You're fucking boring
F Eb Ab Bb F
                                                         Woooo
 It doesn't mean a thing to me
                                                         Wooo Wooo
                                                         D C
(Eb Ab Bb)
                                                         Woooo
F Eb
             Ab Bb F
                                                         Wooo
Still asleep inside my head
         Eb Ab Bb
I?m fucking snoring
F Eb Ab Bb F
It doesn't mean a thing to me
                                                         0nce
     Eb F Eb F
None of you will ever understand me
                                                         More
(Eb F Eb)
F Eb
            F Eb F
None of you will ever understand
[Segunda Parte]
                                                          (Ab Bb)
Lunge
(Eb Ab Bb)
                                                          (Ab Bb)
                                                         What?s
Forward
(Eb Ab Bb)
My brain turning inside out
                                                         Worse
(Ab Bb)
My head spinning upside down
(Ab Bb)
                                                          (Ab Bb)
What?s
(Eb Ab Bb)
                                                          (Ab Bb)
                                                          [Refrão]
Worse
                                                               Eb
(Eb Ab Bb)
I can't seem to get enough
                                                               Eb
(Ab Bb)
                                                          (Eb F Eb)
I'll blink and it's all fucked up
(Ab Bb)
[Ponte]
                                                         Kills us all
None of you will ever understand
```

```
[Terceira Parte]
(Eb Ab Bb)
(Eb Ab Bb)
My brain turned inside out
My head spinning upside down
(Eb Ab Bb)
(Eb Ab Bb)
I can't seem to get enough
I blink and it's all fucked up
             F Eb F
None of you will ever understand me
(Eb F Eb)
None of you will ever understand
[Refrão Final]
I hope he kills us all
                 F
```

```
I hope he kills us all \begin{tabular}{ll} Eb \end{tabular}
                                                                                     Ahh
Kills us all
                                                                                      Eb
                                                                                     Ahh
I hope he kills us all
                                                                                     Ahh
Kills us all
                                                                                      Eb
                                                                                      Ahh
I hope he kills us all
                                                                                      Ahh
Kills us all
                                                                                     Eb
Ahh
Ahh
Eb
Ahh
                                                                                     Ahh
```
