tom:

F

If you had one more day

One more shot

C

One last play

Dm

Would you know?

Bb

'Cause I know

F

If you had one more night

One more fight

C

One last kiss

Your last goodbye

Dm

Would you know?

Bb

'Cause I know

Dm

Where would you go?

C

Who would you be?

Bb

Would you throw it all away

C

For one last night with me

Bb

Why don't we run?

Dm

Why don't we stay?

C

Living on the edge of the world

The last place left for us

Bb

Don't think about tomorrow

C

Don't think about the end

Bb

Take everything that I've got left

C

My one last breath

F

If you close your eyes and see my face

C

My hands on you can be replaced

Dm

I'll live on, in your heart

Dm

Where would you go?

C

Who would you be?

Bb

Would you throw it all away

C

For one last night with me

Bb

Why don't we run?

Dm

Why don't we stay?

C

A last chance to take on the world

The place that's meant for us

Bb

Don't think about tomorrow

Dm

Don't think about the end

C

Don't think about the end

Bb

Take everything that I've got left

Dm

My one last breath

C

Don't think about tomorrow

Bb

Don't think about yesterday

Dm

I'll be there tonight

C

I'll find a way

Yeah

(Dm F C Bb)

Bb

All the nights we've laid

Staring at the stars

Dm

All the pointless fights

All the wasted hours

F

All the tears of sincere

The love and laughter

C

We will find a way

Bb

Don't think about tomorrow

Dm

Don't think about the end

C

Don't think about the end

Bb

Take everything that I've got left

Dm

My one last breath

C

Don't think about tomorrow

Bb

Don't think about yesterday

Dm

Even if our worlds apart

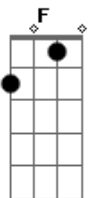

C

We will find a way
