C Em  
Go to sleep,  
D Bm  
My angel I'm on my way I swear.

I'll find my feet,

And make my way from state to state till I,

I see your face, breathe you in ecstasy.  
C Em D Bm  
I pull you in, and never let you go.

REFRÃO:

I've been waiting, for a lifetime,

To turn up and save me,  
Em D Bm  
From the empty and the loneliness inside.  
C Em  
When I dream at night,  
D Bm  
I can see where I belong.

So I'll close my eyes, I'll follow my feet,

And numb so somehow take me home.  
Someday.
