

We Came As Romans - Memories

Tom: Bb

m (com acordes na forma de Am)

Capostrate na 1ª casa

Intro: F G Am

F G Am
So this is where it ends, the road we took together

F G Am
Turn another page, however and forever

F G
We only got one chance, the seconds are fading

Am
Under the moonlight, we're wishing the same thing

F G
I wanna remember, remember this moment

Am
Remember this moment, remember this moment

F G
To-night, I'm thinking it's time

Am C
To burn it all down before the rest of our lives

F G
And it can't last, so never look back

Am C
Give me your heart and I will give you my hand

F G
Cause nothing's stopping you and me

Am C
From making all these memories

F G
Cause nothing's stopping you and me

Am C
From making all these memories

F G Am
Another line begins, I wonder what comes after

F G Am
Knew we'd be the same, or be in different chapters

F G
We only got one chance before it's all over

Am
Under the moonlight I want you to hold on

F G
We're gonna remember, remember this moment

Am
Remember this moment, remember this moment

F G
To-night, I'm thinking it's time

Am C
To burn it all down before the rest of our lives

F G

And it can't last, so never look back

Am C
Give me your heart and I will give you my hand

F G
Cause nothing's stopping you and me

Am C
From making all these memories

F G
Cause nothing's stopping you and me

Am C
From making all these memories

Am G Am G
This is it, we're never getting that back

Am G Am G
I'll admit I'll always become partly hers

F G
(One last night to remember)

Am G Am G
This is it, we're never getting that back

Am G Am G
I'll admit I'll always become partly hers

F G Em
(Let's take this world together, now)

F G
To-night, I'm thinking it's time

Am C
To burn it all down before the rest of our lives

F G
And it can't last, so never look back

Am C
Give me your heart and I will give you my hand

F G
Cause nothing's stopping you and me

Am C
From making all these memories

F G
Cause nothing's stopping you and me

Am C
From making all these memories

F G
Cause nothing's stopping you and me

Am
Woah----- Oh Woah----- Oh Woah

(One last night to remember)

F G
Cause nothing's stopping you and me

Am
Woah----- Oh Woah----- Oh Woah

(Let's take this world together)

(F G Am)
